Hello fellow gardeners,

Harvest time is definitely upon us and there's so much to do. Putting gardens to bed sounds so tranquil, however it's a lot of work & then there's all of the fantasies that we create in our minds for next year. In my favorite dictionary, autumn is defined as a delightful season that runs from the disposal of the last zucchini to the arrival of the first catalog.

In between all of that we have our ONLY Fundraiser that supports all of our community efforts, gardens & scholarships. It is essential that each member helps by working on the various committees; donations of items or monetary; selling/ buying Glamour Galore or Welcome the Holiday tickets. The item donations can be taken to:

1. Sue Konvolinka- Holiday & garden items
2. Jan Wolfe- garden books
3. Mary Jo Gardill- painting & Vera Bradley handbags

Sheri Lowry, WTH chair, has added a comprehensive itinerary & note. Also, a poster is included so you can print it & post it in your favorite shops. Our sixteen garden sites & scholarships depend on this event. Please do your part.

Fondly,
Mary Jo
