Hello fellow gardeners!

Can you believe that it's raining as this is being written & that we're preparing for the Fourth of July already. Where has the summer gone? Thanks for the rain because with all of the dry weather the annuals & vegetables are not doing much, even with regular watering. The effort, time & talent of the GCJ is very evident at our numerous civic development committees & the community has expressed their gratitude frequently. GCJ passes are available if you need to use parking meters so we can park without feeding the quarters, thanks to the Johnstown Police Department. Sharing perennials has been a big help in beautifying the gardens.

Looking forward to seeing you all & tasting your awesome covered dishes on July 10. Until then, enjoy the summer, my friends!

Fondly, Mary Jo
