May 2023

May 8th Club Plant Sale and bring a friend: Perennials, annuals, vegetable, herbs, and house plants will be available at our plant sale. Please come early with plants and buy, buy, buy!!! When you start your spring clean-up, please consider sharing your extras. It will be a great time to bring a friend or friends to enjoy our bargains. The Horticulture committee will price the plants and conduct the sale. The profits from this sale goes into GCJ club account which supports our in-club activities. **Oh, and please bring a variety of succulents for the sale. We will need them for the centerpieces for Welcome the Holidays. We will be making pumpkin succulent gardens.**

Hospitality Committee: Jill Lisankis & Nancy Wojno co-chairs; Mary Ann Efron, Jane Hagerich, and Cheryl Wyrwal. Please find a replacement if you are unable to serve on the committee this month.

Show and Tell and Share: Bring a design, horticulture specimen or seeds, book or whatever can be shared with the membership. This will be a monthly gig at each meeting. Also, this month we will be sharing gardening tips by members.

Note: Wow!! We sure have had a mild winter and a fast and beautiful bursting of spring; it is truly remarkable. Cleaning up the garden, planting, moving and cutting back, has rarely been so early. Just hold on! In 1976, GCJ held a flower show at a home on Tioga Street at the end of May. That morning it snowed on the blooming Rhododendrons. It melted quickly and the show was a success, so don't be too eager to plant frost sensitive plants. Additional information and updates can be found on our website www.gcjpa.org May your month be positively aMAYzing!

Fondly,
Mary Jo
